TEAM WEAR 2026 - 2027

"ZAT-DRY Technology: The Details of Superior Performance and Comfort"

- Fabric technology providing protection against harmful UV rays.

- Allows unlimited movement by stretching both crosswise and lengthwise.

- Feather-light structure that adds no weight during performance.

- Anti-bacterial finish that prevents odor-causing microbes.

ZAT-DRY Technology

Certified performance technology providing fast drying and moisture transfer.

High-Tech Texture

Breathable, moisture-wicking special micro-fabric with geometric patterns.

High-Tech Texture

Flat seam technology designed to prevent skin chafing.

Ergonomic Side Panels

Flexible side panels compatible with body form, providing maximum freedom of movement.

Official Licensed Product

Authenticity label guaranteeing the product's originality and quality standards.

ZAT/DRY 

OFFICIAL LICENSED PRODUCT

ULTIMATE PERFORMANCE FEATURES

Moisture Transfer

Technology that allows the body to breathe.

Antistatic Property

The property that minimizes the unit of static electricity in the body during activity.

Wind Resistance

A feature that prevents wind ingress by means of a special coating made on the fabric.

Water Resistance

Waterproofing is achieved with a special fabric coating and silicone taped seams.

Sweat Absorption and Quick Drying

Technology that improves the absorption of sweat in the body and gives a feeling of dryness

TEAM WEAR 2026 - 2027

THANK YOU

Together We Rise. Together We Win.

*This collection is more than new designs —
it's built on real victories, proud moments,
and partnerships that made history.*

From the locker rooms to the podiums,
we've stood beside ambitious clubs, bring-
ing their identity to life through perfor-
mance and style.
Now, it's your turn.
Let us be part of your journey — because
greatness is never achieved alone.
